To ensure that the new decks can be neatly stored in your board game box, we have the matching Feldherr organiser for your board game box. Here you can neatly store all the cards, markers and other game material from the starter set and even have room for more cards. - The organiser fits exactly into the original board game box of the "Keyforge: Mass Mutation" starter set. - It offers space for all the playing cards, markers and chain indicator cards from the starter set. - Two individually removable plastic card holders are available for your playing cards. - All cards also fit into the card holders with protective sleeves (max. outer dimensions: 66 mm x 92 mm). - With protective sleeves, approx. 250 cards or 6 decks fit into the organiser. If you store them without sleeves, 500 cards or 13 decks will fit. - Four individually removable token holders allow you to organise your tokens clearly. - The game instructions and play mat posters are stored separately on the plastic trays. - The lid of the box protrudes approx. 1 cm. - No assembly required.
