Product Description

You steal from the rich and give to the poor. Your stories have long since become legend and people tell each other "The Adventures of Robin Hood". To ensure that only the Sheriff's henchmen are an obstacle to your adventures and that you don't stumble over the chaos in your box, we have the matching organiser set made of sturdy plastic. Here you can organise all game components neatly and clearly in the trays and transport them easily to the next game night. - The organiser offers space for all game materials from "The Adventures of Robin Hood" base game. - The original cardboard insert is required to store the token holders in the game box. - The game board in the slipcase, the accompanying booklet and the starter sheet are stored on the cardboard insert. - Transport and tilt-proof. Vertical storage possible. No assembly required. All parts are ready for immediate use. Life as a wanted shrewd thief is not easy. So that you can concentrate fully on your adventures, we have taken care of the organisation in your box. Nine token holders made of robust plastic fit perfectly into the original cardboard insert, allowing you to neatly store your game material. Time-consuming pre-sorting is a thing of the past. The various wooden figures can be sorted by colour and stored in the individually removable token holders. This means you can keep an overview and always have the figures, wooden dice, arrows and wooden discs to hand. Sorting by colour means you don't have to worry too much after the game. Simply put the wooden pieces back into the token holders, sorted by colour. For a quick start to the game, simply place the individually removable trays on the table and your adventure can begin. The set consists of: - 9 plastic token holders for colour-sorted game material such as figures for Robin Hood, Maid Marian, Little John, Will Scarlet and Guy of Gisbourne, as well as hourglasses, minstrels, raven, special figure, arrow, wooden discs and wooden dice. The token holders are stored in the long rectangular compartment of the original cardboard insert. Store the cloth bag and the book in the middle compartment of the cardboard insert. Finally, place the starter sheet and the accompanying booklet, as well as the game board pieces in the slipcase on top and your game is packed. - thermoplastic - no assembly required - ready to play - 3D printed in Germany. As with all 3D printed models, there may be minor imperfections. The product images are only examples of what the finished product may look like. All products are provided unpainted.
