Product Description

Don't you just want to cuddle the cute little balls of fur from "Here to Slay" when you see them? Here's a warning: don't do it! Don't be fooled. Despite their short little arms, big eyes and cuddly appearance, they can easily take your head off your shoulders. A fistful! The Kickstarter exclusive "Exclusive Edition" offers Kickstarter exclusive content in addition to the basic game, which makes the box swell even more. So that you don't lose track of all the cards and game material, we have the matching Feldherr Organiser to tame the chaos in your box. Not only can you organise all the contents of the "Here to Slay: Exclusive Edition" neatly and clearly here, but you can also store up to 70 meeples from the separately available meeple packs. - The organiser fits into the original board game box of the Kickstarter exclusive "Here to Slay" - Exclusive Edition. - It offers space for all playing cards, dice and the entire game material of the Exclusive Edition including the corresponding Kickstarter Exclusives. - In addition, the two optionally available meeple sets, 6-Class Meeple Set and Dragon Class Meeple Set, can be stored in matching token holders. - Two individually removable plastic card holders take care of the normal-sized cards. The dice tower must not be assembled. - Transport and tilt-proof. Vertical storage possible. - "Ready to use" - No assembly required. All parts are ready for immediate use. We take care of the organisation in your board game box so that you can recruit your warband as quickly as possible. 3 card holders and 2 token holders keep your box organised.
