Spiderman, Logan, Thanos and the majority of the miniatures can be accommodated on the seven full-size foam inserts. For larger models, such as the Sentinels, Rhino or Baron Zemo, there are suitable compartments on the half-size inserts. The figures are well protected in the soft foam. Sensitive details are thus safe from damage. Precisely fitting compartments ensure that the models do not slip around when travelling. This also protects the painted miniatures from scratches, abrasion and chipping paint. Finally, the two studded foam lids ensure that the miniatures are well protected from all sides. This set is designed exclusively for storing the miniatures. Game boards, cards and additional game material must be transported separately. The set contains:- 1 Feldherr transporter bag- 1 Feldherr storage box FSLB310- 1 Feldherr storage box FSLB250- 3 full-size foam inlays for 25 miniatures each (FSLQ050BO)- 2 full-size foam inlays with 26 foam inserts, each with 26 compartments for miniatures and small game material (FSJQ050BO)- 2 full-size foam inserts, each with 32 compartments for miniatures (FSMEDS045BO)- 1 half-size foam insert with 2 compartments for sentinels (HSMECN100BO)- 1 half-size foam inlay with 5 compartments for a Sentinel and smaller miniatures (HSMFGD080BO)- 1 half-size foam inlay with 12 compartments for miniatures (HS070I012BO)- 1 half-size foam inlay for 7 miniatures (HSMFGD080BO) foam insert for 7 miniatures (HSLZ060BO)- 1 half-size foam insert for 10 miniatures (HSLM050BO)- 2 studded foams as cover The high-quality transporter bag is made of lightweight but durable fabric, but durable fabric. In addition to the large main compartment, it has a small side compartment in which, for example, writing materials, game instructions or similar items can be stored. It can be carried with two handles or shouldered comfortably with the sturdy shoulder strap. When the bag is not in use, it can be folded flat to save space and easily stored in a cupboard. The FSLB310 and FSLB250 storage boxes are made of coated, double-wall cardboard and are therefore very light yet sturdy. The attachable lid of the FSLB310 reliably protects the contents from dust and other external influences. The two plastic-reinforced carrying handles on the sides make the box easy to transport. The FSLB250 storage box is easy to transport with the practical carrying handle. One side of the FSLB250 can be opened completely. This makes it easier to put away and remove the foam inserts.
