📄 Product Description

Compatible with Great Western Trail and the Rails to the North extension- 11 boxes can be removed- Lid closes flush- Vertical storage possible- Supports premium card sleeves (max. outer dimensions 61 x 92 mm)- Overall size after assembly: 288 x 288 x 58 mm- Assembly requires wood glueHobby product. From 14 years. Not a children's toy.If you want to get rich with cattle drives, you not only need hundreds of cattle, but also hundreds of cards, markers and tokens! Our insert comes to the rescue with customised compartments for all game components from the base game and expansion and keeps the prairie tidy.WEST consists of 11 trays that can be removed individually and placed anywhere on the game table.Trays 1-4: Each player has their own box with the components of their colour: wooden markers, building and cover tiles and player cattle cards go in here.Box 5: Three compartments for worker, hazard and teepee tiles.Box 6: Double compartment for town and stationmaster tiles.Trays 7 and 8: Card dispensers for order and market cattle cards with a side compartment for discarded cards.Trays 9 and 10: One each for dollar coins and exchange/neutral building tilesTray 11: A flat tray that also serves as a placeholder and storage for the additional trays.When all trays are placed in the box, they are covered with the game board. Box 11, the expansion board, the player trays, the scoring pad and the rules are placed on top. The box can be closed flush. The box can easily be stored on edge.This item is supplied as a kit that needs to be assembled. We recommend using wood glue for this (not included in the package).
