Product Description

The zombie apocalypse has arrived and the undead are roaming the streets everywhere. To avoid becoming the next members of the zombie club, the players in Zilence have to collect essential survival items in the city. From their camp in the centre of the city, there are twelve escape routes of varying lengths. Some of them even end in nowhere. Each round, a symbol marker is activated, which activates exactly three flight routes. All players must then scan these three routes with their eyes as quickly as possible to find the best route. The best path is the one with the most of the items you are looking for. After 20 seconds, the timer runs out and everyone has to choose a path immediately. All players then walk the routes together and check who has found how many of the items they are looking for. A new round then begins with a different city layout and different flight routes. The first player to collect all the items wins.- Number of players: For 2 to 4 players aged 6 and over- Playing time: 20 to 30 minutes- Format: 24.5cm x 24.5cm x 6.5cm- Weight: 860 g- Type: Basic gameContents:- 6 game board pieces- 1 pointer stick- 48 character cards- 1 centre piece- 4 symbol markers- 1 instruction booklet (DE/EN)Important notes Caution: Not suitable for children under 36 months.
