Product Description

Get to the hidden secret compartment with your loved ones without leaving your own home! Exciting puzzles await you. The developers of Quest Tower are experienced engineers who have created extraordinary puzzles and complex challenges. We can't promise that it will be easy. But we guarantee that it will be very varied and interesting! The Quest Tower is made entirely from birch wood and is an environmentally friendly product. We carefully select the wood for production, sort and treat it and assemble the product by hand in our EU factories before packing it and sending it to you with lots of love. Over 300,000 customers have now joined the EscapeWelt family. Our customers appreciate our work and our commitment to creating the best experience by showing their enthusiasm and visiting us again and again. Thank you for entrusting us with your emotions and experiences! You inspire us to keep coming up with new ideas so that our team can continue to inspire you and your loved ones! In the ancient city of Babylon, there was a colossal tower that rose high into the sky. It was said that this mystical tower was a divine creation, a mind game bestowed by the gods themselves. It was believed that deep within the tower, hidden behind a series of puzzles, was a mysterious artefact that bestowed immeasurable wisdom and power. This beautifully designed and carefully crafted colossal challenge promises to captivate your mind and ignite your curiosity. Immerse yourself in a journey through time and discover the hidden wisdom of a long-lost civilisation. Do you dare to discover the many secrets of the Quest Tower to test your wits and intelligence? Reach the hidden compartment inside to gain divine wisdom!
