Product Description

Ready to land? In this co-operative game, two players take on the roles of a pilot and a co-pilot who control an aircraft together. The aim is to land the aircraft safely at various airports around the world. To do this, you must skilfully assign your dice to the correct fields in the cockpit to balance the aircraft, control the speed, extend the landing flaps and landing gear and contact the tower. Make sure that the flight area is actually clear and, above all, don't miss the runway! From Montreal to Tokyo - every airport has its own landing conditions. Prove your skills as a well-coordinated team at the controls of the jumbo jet. Are you ready for the thrill? Then experience Sky Team - the ultimate game for budding pilots aged 12 and over. Important information Caution: Not suitable for children under 36 months. - Number of people: For 2 players aged 12 and over- Playing time: 20 minutes
