

Item no.: 366874

Tokens and Markers: Tokens for Lost Ruins of Arnak + Expedition Guides (GB)

from **9,98 EUR**

Item no.: 366874
shipping weight: 0.30 kg
Manufacturer: e-Raptor

Product Description

Set off with the rest of the explorers to Arnak Island and discover all its secrets. Your inventory must not be complete without these acrylic tokens!

Tokens have the same dimensions as the original cardboard ones and fit in our insert.

Ultra-durable tokens, made of 2mm plexiglass. Printed in UV technology with a translucent effect.

Our acrylic tokens grant a much more immersive experience in your favourite board games. Make your components indestructible!

Tokens have original art from the games and are made in cooperation with Czech Games Edition.

Attention! Not for children under the age of 36 months.

The set contains tokens for Lost Ruins of Arnak with Expedition Leaders expansion - 57 pcs:

- 2 Moon Staffs
- 1 Starting Player Marker
- 27 Compass Tokens
- 27 Coin Tokens
