Product Description

Available in our six vibrant rainbow colours and featuring our unique bevel design, the 18 Piece Rainbow Rectangle Pack includes three rectangle sizes designed to spark imagination and creativity! Exclusively designed to be the same length as two, three or four standard Connetix squares connected together, this pack will give your builds the extra stability and structure you need to create bigger, more elaborate designs. With multiple connection points and strong magnets, this pack will inspire children to use their imagination to create zooming ramps, car tracks, long roads, colourful carparks, towers and houses. Our strong rectangles are also perfect for supporting bigger builds such as large rockets, castles with balconies, and TALLER, more complex ball run creations! As a high-quality, open-ended toy, Connetix will grow WITH your child as they learn, and their play becomes more complex. Why not complement your pack with our 92 Piece Rainbow Ball Run Pack or create a gorgeous colour dynamic and add some earthy hues with our 120 Piece Pastel Creative Pack. The possibilities are endless! About Our Products:- All tiles are made using non-toxic ABS plastic that is BPA and Phthalate free, sealed and riveted for extra safety.- Our unique beveled design allows Connetix to be strong while offering beautiful clear refractions.- Connetix are compatible with other leading brands. Recommended Age: 3+ (contains magnets and small parts).
