Product Description

The old estate rises gloomily against the pale moonlight and every visit holds new secrets for you. With the Feldherr game insert for Mysterium, you can keep in touch with the afterlife and keep your base game box tidy. The token and card holder allows you to organise all the game materials from the base game and both expansions in a compact and clear way. Instead of spending hours setting up your game materials, you can start the game quickly thanks to the inserts and concentrate on the really important things: Solving the mystery of Warwick. The organiser offers space for all game materials from the "Mysterium" base game and the two expansions "Lies and Secrets" and "Hidden Signs" from Asmodee. The set consists of 2 token and 2 card holders made of plastic. All trays can be removed individually. The two token holders offer space for the small-format game material and the small-format object cards. The card holders offer space for the large-format spiritist and vision cards, as well as the standard-format spirit cards. All cards also fit with protective sleeves. The progress boards are placed next to the card holders. The game rules, clock board, screen and the clairvoyance display are stored separately in the box. Transport and tilt-proof - vertical storage possible - "Ready to use" - no assembly required. The set consists of: 2 plastic card holders for the playing cards (e.g. spiritist cards, vision cards and spirit cards) - 1 token holder with 5 compartments for game material (e.g. spiritist card "object", offender tokens, spirit tokens, sleeves, etc.) - 1 token holder with 7 compartments for game material (e.g. inducement markers, clairvoyance cards) - 1 token holder with 5 compartments for game material (e.g. spiritist card "object", offender tokens, spirit tokens, sleeves, etc.) - e.g. entry markers, clear view level markers, hourglass etc.) - 1 foam blank, 35 mm high, as height leveller - 1 foam lid. The foam blank has the dimensions: 275 mm x 105 mm x 35 mm total height - high-quality, fine-pored foam - chlorine-free and acid-free - Made in Germany.
