Product Description

Defend the kingdom against the Time Mage and her minions from all ages. Call the heroes of long-forgotten times to your aid and show the invaders who is king in the land. Always at your side: the Feldherr Organiser suitable for the original board game box of "Kingdom Rush: Rift in Time". It ensures that the contents of the base game and the Deluxe Material Box fit neatly sorted into the original base game box.- The organiser fits into the base game box of "Kingdom Rush: Rift in Time."- It offers space for all game materials from the "Kingdom Rush: Rift in Time" base game and the Deluxe Material Box.- To store some token holders and figures in the game box, you will need the original plastic insert from the base game.- The tower tray and the 5 custom plastic hero trays from the Deluxe Material Box are stored separately in the base game box.- The rules and scenario booklet, boss reference cards, sticker sheets, path blocking cards, map of the kingdom and the large path tiles are on the tower tray.- All cards also fit with a protective cover. The tower cards in the tower tray are stored without a protective cover.- The poster from the King's Pledge must be stored separately.- No assembly required. All parts are ready for immediate use.- Transport and tilt-proof - Vertical storage possible While you battle warriors from another time, we take care of keeping your board game box organised. 4 plastic token holders can be perfectly combined with the original plastic inserts and the inserts from the Deluxe Material Box in your game box to keep your game material and miniatures neatly organised. The token holders offer you space to protect the cards stored in them with protective sleeves. Tedious pre-sorting of tokens is a thing of the past. For a quick start to the game, take the various trays out of the box and spread them out on the gaming table. This way, all cards, tokens and tiles are within reach and you can get started right away. The set consists of:- 1 token holder with 4 compartments for boss special cards, portal storm cards, exit tiles, player colour markers.- 1 token holder with 3 compartments for horde and portal cards, as well as damage tiles.- 1 token holder with 2 compartments for building site cards and spell tiles. Fits into the original plastic tray.- 1 token holder with 8 compartments for crystal tokens and deluxe crystal tokens, heart tokens, soldiers, portal tokens, damage tokens, wooden heart tokens. Fits into the original plastic tray. Distribute the other game material and figures to the other trays. Cards For heroes and the corresponding tokens are stored in the herotrays. The original plastic insert is placed on the bottom of the board game box. Fit the token holders with the 2 and 8 compartments into the long compartment. Place the tower tray with the tower cards and damage tokens on the plastic insert. Place the rules and scenario booklet, boss reference cards, sticker sheets, path blocking cards, map of the kingdom and the large path tiles on top. The remaining token holders and the five custom hero trays are placed on top. Finally, everything is covered with a matching foam lid. This way, nothing falls out of the compartments during transport and your game material remains clearly organised.- high-quality, fine-pored foam- chlorine-free and acid-free- Made in Germany As with all 3D-printed models, there may be minor imperfections. The product images are only examples of what the finished product may look like. All products are provided unpainted.- thermoplastic- no assembly required - ready to play- 3D printed in Germany
