📄 Product Description

Are you dreaming of a large, profitable farm in the 17th century? With this clever Feldherr game solution for the revised new edition of Agricola, you can live your dream. You keep the game table tidy. This organiser set also makes searching for game pieces a thing of the past.- The organiser offers space for all game materials from the "Agricola" base game in the revised new edition from 2016 by Lookout Games.- All cards also fit with sleeves.- The game rules, the appendix, the game boards, the action board, the two variant tiles and the writing pad are placed separately in the box.- No assembly required. All parts are ready to use immediately.With this game solution, nothing stands in the way of quickly increasing your possessions. Simply take the various token holders and the card holder out of the game box before starting the game and place them on the game table. This creates an overview and allows you to start the game quickly.The set in detail:4 player trays for coloured player resources:- each player gets their own tray- 3 compartments for sorting fences, stables and people tokens1 garden tray for animals:- 3 compartments for sheep, wild boars and cattle1 lorry tray for building materials:- The various building materials such as clay, wood, reeds and stone can be stored in the 4 compartments of the token holder- Designed like a mine lore, the tray offers you organisational and visual added value on the game table1 farm tray for crops:- 1 large compartment to store all crops such as grain and vegetables- Printed blades of grass help to distinguish the tray from the other token holders1 food tray for nutrition tokens:- 2 compartments to sort the nutrition tokens- a circular compartment to store the large nutrition tokens- a second compartment for the small tokens1 board construction tray for game tokens, recommendation tokens and starting player token:- 4 compartments help you organise the double-sided wooden room/field and clay/stone room tiles- 1 smaller compartment is used to store the goods tokens- place the starting player token in the circular compartment- the three yellow recommendation tokens can be stored in the outermost compartment1 card holder for playing cards:- 2 compartments offer enough space to store action field, red "large acquisition", yellow "training" and orange "small acquisition" cards- all cards also fit with protective coverThe rules of the game, the appendix, the game boards, the action field, the two variant tokens and the writing pad are placed separately in the boxThe set includes:- 1 plastic token holder for building material tokens (60472)- 1 plastic token holder for crop tokens (60473)- 1 plastic token holder for food tokens (60474)- 4 plastic token holders for players (60489)- 1 plastic token holder for square tokens (60489) 1 plastic token holder for square tokens (60490)- 1 plastic token holder for animal tokens (60491)- 1 plastic card holder for playing cards (60591)The token holders have the following dimensions:- 60472: 105 mm long x 62 mm long x 50 mm high- 60473: 87 mm long x 70 mm long x 20 mm high- 60474: 87 mm long x 35 mm long x 20 mm high- 60489: 105 mm long x 75 mm long x 20 mm high- 60490: 103 mm long x 79 mm long x 29 mm high- 60491: 105 mm long x 87 mm long x 30 mm highThe card holder has the following dimensions:- 60591: 68 mm long x 102 mm long x 52 mm highFeatures Token holder and card holder- thermoplastic- no assembly required - ready to play- 3D printed in GermanyAs with all 3D printed models, minor imperfections may occur.
