### Product Description

Unleash the power of magic and experience the "Legends of Andor" in a whole new way. The matching Feldherr organiser for the original board game box is available so that you don't fall for lazy spells and always have an overview of the game material in the "expansion set". It keeps the chaos in the box at bay and helps you to organise your game material neatly. - The organiser fits into the original board game box of "The Legends of Andor: Magical Heroes". - It offers space for all the game material of "The Legends of Andor: Magical Heroes". - All cards also fit with protective sleeves. - The rules booklet and heroes are included. You can store the rulebook and the hero boards separately on the trays. - Transport and tilt-proof - vertical storage possible - "Ready to Use" - no assembly required While you see the world of Andor with new eyes and perform magical wonders, we take care of your game material. Three individually removable plastic trays help to ensure that your game material remains clearly organised and that you always have access to it. Neither tedious pre-sorting nor magical incantations are necessary to get started quickly. For a quick start to the game, simply spread the trays out on the table and your legend can begin. The set in detail: - 1 plastic card holder with a compartment for legend cards. - 3 plastic token holders, each with 2 compartments for small game materials such as magic powder, moonberries, hero crests, Takuri feathers, black wooden discs, the rune helmet and minus strength tokens. - 1 plastic token holder with 4 tokens. 1 token holder made of plastic with 4 compartments and 2 storage areas for the rune disc, the sunrise token, as well as hero figures, dice and accessories (sorted by hero) Of course, all cards also fit with protective sleeves. The rulebook and the hero boards are stored separately on the trays. - thermoplastic - no assembly required - ready to play - 3D printed in Germany As with all 3D printed models, minor imperfections may occur.
