Product Description

War engulfs the lands of Middle-earth. While the dark ruler Sauron stretches out his fingers to the free peoples, they must decide how to face the danger. Hold out or go to war and rely on their own luck in battle? The basic game of "The Ring War: 2nd Edition" is already characterised by countless game materials and cards, as well as over 200 plastic miniatures. The two expansions give the game over 50 more miniatures and even more game material. With so many miniatures and game material, it is easy to lose track. To remedy this, there is the matching Feldherr organiser. - The organiser offers space for all the contents of the "The Ring War: 2nd Edition" base game. - The set fits into the original "The Ring War: 2nd Edition" board game box. - In addition, all the contents of the two expansions "The Warriors of Middle-earth" and "The Lords of Middle-earth" can be stowed away. - All cards also fit with protective covers. All cards also fit with protective sleeves. - The game board and the game instructions are stored on the card holders. - Transport and tilt-proof - vertical storage possible - "Ready to use" - no assembly required While you prepare for the coming battles, we take care of the organisation in your basic game box. 8 figure holders, 4 token holders and 4 card holders made of robust plastic provide the necessary organisation. Thanks to these, you can save yourself time-consuming pre-sorting before the start of the game in future. The time you save can be used for the ring war. For a quick start to the game, take the trays out of the game packaging and place them on the table where you need them. Cleaning up after the battle is also made much easier. This way, only your opponents stand in the way of your victory. The set in detail: - 8 plastic figure trays, each with 2 compartments for all 259 plastic miniatures from the base game and both expansions (the Companions, the Dead of Dunharg or the Balrog of Moria). - 4 plastic token holders, each with two compartments for game material such as cardboard markers, cardboard tokens, dice (conquest markers, hunting tokens, faction dice, battle dice) - 4 card holders, each with two compartments for game cards (companion cards, event cards, minion cards). Cards also fit with protective sleeves. Place the 8 token holders on the bottom of the box. Place 2 token holders on the edge of the box, on top of the figure holders. The card holders are placed in between. The game instructions and the game board are placed on the card holders. - thermoplastic - no assembly required - ready to play - 3D printed in Germany As with all 3D printed models, there may be minor imperfections. The product images are only examples of what the finished product may look like. Colours may vary. All products are supplied unpainted.
