Product Description

So you don't get lost in the fog of your board game box - with this Feldherr organiser, you can keep your game material neatly sorted and always have a clear overview. With the fog came the beasts. Now it's up to you to penetrate the heart of terror and drive back the evil. To make sure you don't get lost in the fog during your adventure, your board game box should be tidy and well organised. It's not easy to keep track of more than 320 cards and over 150 markers. Fortunately, we have the matching Feldherr organiser for the original "Fog over Valskyrr: In the Heart of Terror" board game box. You can easily sort the cards by type and give the game material the necessary structure so that you can always find the right marker, even in the heat of battle. You'll keep an overview and the forces of evil will quickly run out of steam. - The organiser fits into the original board game box of "Mist over Valskyrr: In the Heart of Terror." - It offers space for all game cards and the game's entire game material. - The original cardboard insert is required to store the token and card holders in the game box. - All cards also fit into the card holders with protective sleeves (max. outer dimensions: 67 x 94 mm). - Store the location tiles next to the card and token holders. Place the tableaus on the left and right of the original cardboard insert. - Store the game rules, player aids and adventure book on top. - Transport and tilt-proof - vertical storage possible - Ready to use - no assembly required While you fight on the front line, we support you from the second row and keep your board game box organised. Thanks to the three card and four token holders made of robust plastic in combination with the original cardboard insert, you always have your cards and game material under control. The clear structure of the organiser saves you time-consuming pre-sorting. For a quick start to the game, take the individual inserts out of the box and spread them out on the table. This way, everything is where you need it. If you need to rest in between, tidying up is also easy. Simply sort your game material back into the appropriate trays and pack them back into the game box. That way, you'll be ready for your next adventure. The set consists of: - 1 plastic card holder with three compartments for hero cards - 1 plastic card holder with one compartment for enemy cards - 1 plastic card holder with five compartments for ally cards, reward equipment cards, boss cards, normal encounter cards, final encounter cards - 2 plastic token holders, each with two compartments for small game material such as group markers, wound markers, objective markers, loot markers - 2 plastic token holders, each with three compartments for small game material such as wooden dice, adventure markers and condition markers (poison, weakness, fire and daze) As with all 3D-printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. All products are provided unpainted. - thermoplastic - made from renewable raw materials - no assembly required - ready to play - 3D printed in Germany
