Product Description

Compatible with the "Nusfjord" base game and the "Plaice Deck" expansion. Suitable for the basic game box.- 9 boxes can be removed- Lid closes flush- Vertical storage possible- Supports premium card sleeves (max. outer dimensions 73 x 47 mm)- No assembly required. All parts are ready for immediate use.Hobby product. From 14 years. Not a children's toy.Nusfjord comes with lots of cards, wooden markers, forest and ship tiles, coins and other tokens so that players can clear forests, erect buildings, build ships and earn money as fishermen on the Lofoten Islands. Our insert has customised compartments for all components and keeps the fishing business tidy.NUSS consists of 9 boxes with 12 trays for sorting, which can be removed individually and distributed as desired on the game table.Trays 1-5: Identical trays for the five player colours. This is where the share tokens, worker figures and supply board go.Tray 6: A player box for the starting player ship and the solo player token.Tray 7: Storage for gold coins and multi tokens.Tray 8: This is where the wooden and fish tokens go.Tray 9: This is where the starting player tokens are placed according to the number of players.Tray 10: Storage for the forest strips and ship tokens.Tray 11: Compartments for all cards, sorted by deck type and A-B-C, so that everything is immediately to hand.Tray 12: A small box for the alternative metal coins from the floe deck.For packing, all trays are placed in the box and the various plans and rulebooks cover everything. Card sleeves are supported, the lid closes flush and the box can be stored on end without anything getting mixed up.- thermoplastic- no assembly required - ready to play- 3D printed in GermanyAs with all 3D printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. All products are provided unpainted.
