Product Description

In the game "Near and Far", you embark on a search for a legendary city and travel to an unknown land full of ancient ruins. To bring the game world to life, the game contains a wealth of cards, dice, markers and coins. So that you don't lose track of all the game material, here is the matching Feldherr organiser made of sturdy plastic, suitable for your board game box. - The organiser offers space for all game materials from the "Near and Far" basic game and the expansion "The Amber Mines" from Schwerkraft-Verlag. It fits into the original game box. - The 6 token holders and 8 card holders made of plastic can be removed individually. - Supports premium card sleeves (max. outer dimensions 64 x 95 mm & 49 x 72 mm). All cards also fit into the card holders with protective sleeves. - Game board, Book of Encounters, game boards, atlas, rulebook, New Store tokens, New Mine/Hut of the Mystic tokens, cloth bag are stored separately on the foam lid. - The lid of the board game box stands approx. 1 cm above. - Transport and tip-proof - Vertical storage possible. - No assembly required. All parts are ready for immediate use. While you experience the great adventure, we take care of the organisation in your game box. Six token holders and eight card holders keep your game box organised. To start, take the trays out of the box and arrange them as you wish on the game table. This saves you time when setting up and ensures you always have an overview during your adventures. The set in detail: - 1 card holder with a single compartment for standard artefact cards - 1 card holder with two compartments for advanced artefact and world cards - 1 card holder with two compartments for amber mine and Lakai cards - 1 card holder with three compartments for character and overview cards, and for blocks with character sheets - 1 card holder with one compartment for treasure cards - 1 card holder with one compartment for spell cards - 1 card holder with two compartments for short adventure and boss cards - 1 card holder with three compartments for threat and chieftain cards - 2 token holders as player trays with four compartments each. Heart tokens and tent tokens can be sorted by player colour into the large compartments. One die, one expert die and one magic marker fit into each of the narrow compartments - 1 token holder with three compartments as a treasure chest for coin and gemstone markers - 1 square token holder for pack birds - 1 token holder with seven compartments for sorting the markers for adventurers, animal companions and starting players - 1 large token holder with 9 compartments and 2 lids. The compartments offer space for plastic stands, food, faction and quest markers. The lids are placed on the token holder and provide storage space for the character figures and glory markers. - 1 foam lid Place the game board for the cooperative mode, magic bar and talent overview card on the large token holder. The foam lid is placed on the token and card holders and ensures that nothing can slip. This ensures that every token stays in place. Game board, Book of Encounters, game boards, atlas, rulebook, New Store tile, New Mine/Hut of the Mystic tile, cloth bag and the player trays are placed separately on the foam cover. - high-quality, fine-pored foam - Made in Germany - chlorine-free and acid-free - thermoplastic - no assembly required - ready to play - 3D printed in Germany As with all 3D printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. Colours may vary. All products are supplied unpainted.
