Product Description

The second season of Warhammer Underworlds once again brings an entertaining range of warbands to Shadespire. We have the right solutions for you to ensure that they all arrive at the gaming table unscathed. Do you want to stay flexible and not always take all 8 warbands with you? Then this is the right thing for you: a MAXI and a MEDIUM bag in a bundle with all eight foam inserts for the Nightvault warbands and the Arcane Dangers. Either take them all with you, spread over two shoulder bags, or just four of them in one. From Averon Stormfather and his golden boys to Zarbag's scurrying goblin flock, each troop gets a customised Feldherr foam insert. The compartments are individually tailored to the miniatures. This means that the models are well protected in the soft foam. Sensitive details are thus protected from damage. The customised cut ensures that the figures do not slide around during transport. Painted warrior models are spared scratches and chipped paint. An additional compartment is reserved under each figure for the power and mission cards. It has a finger-wide recess to make it easier to get the cards out. Up to 40 cards fit in here, including sleeves, of course. Deck boxes also fit here. Dice and tokens can be sorted into the remaining four compartments. And as a bonus, there is also an insert with 7 compartments, suitable for most Warhammer Underworlds miniatures or for accessories such as tokens and dice. Finally, the foam lids supplied ensure that your figures are securely packed all round and survive transport to the Mirrored City undamaged. The two Feldherr bags MEDIUM and MAXI are made of particularly hard-wearing material. Padded side panels and a reinforced base also ensure that the miniatures are well protected from external influences, even when being transported by car or train. In addition to the large main compartment, the bags also have a small compartment with a zip on the front. Here you can store booklets and other small items, for example. There is a rubberised, handy carrying handle on the top. If you prefer to have your hands free, the bags can also be carried comfortably as a shoulder bag thanks to the sturdy, detachable shoulder strap.
