Product Description

Spirit Island simply cannot find peace. More and more invaders arrive in the form of Russia and the Habsburgs. But the spirits are also gaining more abilities. So all is not yet lost. As we're taking care of the organisation in the box and on the gaming table for you this time too, you can devote yourself entirely to defending your gem. - The set fits exactly into the original board game box for the "Spirit Island" expansion "Rugged Earth" from Pagesus Spiele. - The organiser offers space for all contents from the "Riven Earth" expansion. - Contains four token holders, a lid and two card holders made of robust plastic. - All cards also fit with sleeves. - Place the invader boards, fear level separators and the large nation token on the two large token holders. The island game boards and game instructions on top. - No assembly required. All parts are ready for immediate use. With this game solution, the invaders have nothing to laugh about. Simply take the various token holders and card holders out of the game box before the game starts and place them on the game table. This creates an overview and allows you to start the game quickly. The set in detail: 2 large island trays for miniatures, spirit essences and various tokens. - The two identical token holders offer a total of 12 different compartments in which you can place Dahans, cities, villages, explorers, energy tokens and wasteland markers, as well as spirit essences and the matching coloured memory tokens. They are neatly organised and easy to find. - Place scenario and nation cards in the recesses of the two trays. Place the ghost boards on the cards. 2 action trays with lids for tokens and invader cards. - stackable - 6 compartments for: Fear, scenario, beast, wilderness, plague and conflict tokens. One tray for the invader cards. The cards fit with and without protective sleeves. - The lid has recesses for the 4 narrow nation reminder tokens from the base game and expansion. 2 card holders for playing cards. - The 4 compartments hold all the playing cards from the base game and expansion. - All cards also fit with protective sleeves. All cards also fit with protective sleeves. The invader boards, fear level separators and the large nation token are placed on the two large token holders. The foam inserts ensure that the inserts sit securely. The island maps and game instructions are placed on top. The set includes: - 2 plastic island trays for miniatures, spirit essences and tokens - 2 plastic action trays, stackable, with lid for tokens and invader cards - 2 plastic card holders for playing cards - 2 foam mats, as height levellers - thermoplastic - no assembly required - ready to play - 3D printed in Germany. As with all 3D printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. Colours may vary. All products are supplied unpainted.
