Product Description

In Terra Mystica, you develop your civilisation and make foreign lands your own. We have the right organiser for your basic game box to ensure that your reign runs smoothly. This allows you to keep control of your lands and easily gain control over the territories of your friends.- The organiser offers space for all game materials from the Terra Mystica base game and the "Fire and Ice" expansion from Feuerland Spiele.- The set fits into the original Terra Mystica base game box.- 17 individually removable plastic boxes.- Transport and tilt-proof - vertical storage possible- Rules, people boards, cult board, train board, cloth bag and game boards are stored separately in the box.- The lid of the board game box protrudes approx. 1 cm.- No assembly required. All parts are ready for immediate use.- A foam insert as a base for the Terra Mystica Big Box is available separately (FUBA027).We take care of the organisation in the box and on the game table so that you can concentrate fully on stealing countries and terraforming. The organiser consists of 17 individually removable token holders that can be placed anywhere on the gaming table. This creates an overview and allows you to start the game quickly.The set in detail:- 8 token holders for game pieces. Each player gets their own tray with tokens in their own colour.- 1 token holder with five compartments for action tokens and coins. Large tray with space for more tokens.- 2 token holders for worker tokens- 2 token holders with six compartments each for favour tokens- 1 token holder with 17 compartments for landscape and race tokens, shapeshifter ring, ice ring and the orange starting player figure- 1 token holder for the purple power tokens- 1 token holder with seven compartments for city tokens, round bonus cards, rectangular scoring tiles, final scoring cards and overview tiles- 1 token holder with two compartments for end-of-game markers and 100 victory point tokensOnce all the token holders are in the box, there is a space at the top for the race boards, cult board, turn board and cloth bag. Finally, the game boards and rules are placed on top.- thermoplastic- no assembly required - ready to play- 3D printed in GermanyAs with all 3D printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. Colours may vary. All products are supplied unpainted.
