Product Description

The magic of the world is still omnipresent on Spirit Island. But invaders want to claim the land and the magic for themselves. Rise up and defend the magical island from the colonial powers. We have created this Feldherr Organiser for you so that you can store your game material neatly. As we take care of the organisation in the box and on the game table for you, you have time to drive the nasties off your island. - The set fits exactly into the original board game box for the "Spirit Island" base game from Pagesus Spiele. - The organiser offers space for all contents of the base game and the "Astroturf" expansion. The organiser offers space for all the contents of the Spirit Island base game and the "Branch and Paw" expansion. - Contains four token holders, a lid and two card holders made of sturdy plastic. - All cards also fit with sleeves. - Place the invader boards, fear level dividers and the large nation token on the two large token holders. The island maps and game instructions on top. - No assembly required. All parts are ready for immediate use. With this game solution, the invaders have nothing to laugh about. Simply take the various token holders and card holders out of the game box before starting the game and place them on the game table. This creates an overview and allows you to start the game quickly. The set in detail: 2 large island trays for miniatures, spirit essences and various tokens: - The two identical token holders offer a total of 12 different compartments in which you can place Dahans, cities, villages, explorers, energy tokens and wasteland markers, as well as spirit essences and the matching coloured memory tokens. They are neatly organised so you have them quickly to hand. - Place scenario and nation cards in the recesses of the two trays. Place the ghost boards on the cards. 2 action trays with lids for tokens and invader cards: - stackable- 6 compartments for: Fear, scenario, beast, wilderness, plague and conflict tokens. One tray for the invader cards. The cards fit with and without protective sleeves. - The lid has recesses for the 4 narrow nation reminder tokens from the base game and expansion. 2 card holders for playing cards: - The 4 compartments hold all playing cards from the base game and the expansion. - All cards also fit with protective sleeves. Place the invader boards, fear level dividers and the large nation token on the two large token holders. The island maps and game instructions on top. The set includes: - 2 plastic island trays for miniatures, spirit essences and tokens - 2 plastic action trays, stackable, with lids for tokens and invader cards - 2 plastic card holders for playing cards - thermoplastic - no assembly required - ready to play - 3D printed in Germany. As with all 3D printed models, there may be minor imperfections. The product images are only examples of what the finished product may look like. Colours may vary. All products are supplied unpainted.
