Product Description

Abalone Go is the practical travelling version of the abstract, strategic classic game. You compete against each other on a hexagonal board with black and white balls. Move your balls across the board to move your opponent's balls. Can you be the first to push six of your opponent's balls off the board? Watch out, plan ahead and weigh up each move wisely. With the practical transport cover for the game board, you can take the family game Abalone Go with you wherever you go. - 2 players - 7+ ages - 20+ minutes
