Product Description

Zip-Up Album 24-Pocket, white

The Zip-Up Album 24-Pocket is a great way to collect and organize collectible cards of standard or Japanese size. The album is covered with the innovative Nexofyber surface to create a comfortable touch & feel combined with an elegant look. The inside of all Prime Albums is covered with soft microfiber lining. Reinforced, rigid covers add protection to keep card collections safe. The album contains 20 pages with 24 side-loading pockets each, for a total capacity of 480 cards (even double-sleeved). A durable zipper closes this album from all sides.

Attention! Not suitable for children under 36 months.
