Product Description

For neatly storing all the game material from the Revised Edition of "Arkham Horror: The Card Game" - suitable for the original game box. Every nightmare has a beginning. Sometimes several. In the Revised Edition of the horror card game, you face the "Great Old Ones" to thwart their plans. Time has not stood still in the Feldherr headquarters either. So we have pooled years of experience and the knowledge of our technology department, summoned dark forces and the result is this plastic organiser. Various cards and token holders keep the box organised and make your investigations easier. This means you won't be distracted by pointless investigations into lost tokens and cards and will always have the conspiracy in view. The organiser fits exactly into the original base game box of the Revised Edition of "Arkham Horror: The Card Game". It offers space for all the playing cards, markers and small investigator cards from the base game. Four large, individually removable plastic card holders are available for your standard-sized playing cards. The large card holders can be used to sort your cards. You can store up to 1000 cards with protective sleeves (max. outer dimensions: 72 mm 94 mm)* and 2000 without protective sleeves in the large card holders. Ideal to be prepared for future player expansions. You can use 5 individually removable token holders to sort your tokens. You can use a small tray for the small-format cards and the investigator marker. You can store the instructions, begelit booklets and the chaos bag separately on the plastic trays. The lid of the board game box protrudes approx. 2 cm. Transport and tip-proof - Vertical storage possible - "Ready to use" - No assembly required So that you can concentrate fully on the case and the world-changing conspiracy, we take care of the necessary organisation in your board game box. 5 token holders and 5 card holders made of robust plastic ensure that your cards and tokens are always well organised and ready to hand. This means you always have an overview and can quickly find the game material you need. The set consists of: - 4 card holders, each with 3 compartments for standard-sized cards such as investigator cards, player cards (reference cards, advantage cards, weakness cards, skill cards, event cards) and scenario cards (agenda cards, scenario cards, scenario overview cards, location cards revealed and concealed, opponent cards, betrayal cards) - 1 card holder for small investigator cards and investigator leader markers - 3 token holders with 2 compartments each for small game material such as damage markers, chaos markers, horror markers - 2 token holders with 4 compartments each for small game material such as chaos markers, resource markers, clue/corruption markers - 1 pack of Feldherr dividers 67 x 67 mm, multicoloured (20 pieces) The organiser measures: 280 mm long x 240 mm wide x 74 mm high. The insert fits into the original board game box of Arkham Horror: The Card Game - Revised Core Set Edition (outer dimensions: 293 mm x 253 mm x 80 mm high). As with all 3D-printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. All products are provided unpainted. - thermoplastic- made from renewable resources- no assembly required - ready to play- 3D printed in Germany* - tested with premium card sleeves from GameGenic and Ultra Pro
