Product Description

Description Simultaneous visualisation and guessing! Playing together in chaos! Two teams compete against each other in this new activity edition. What's special this time is that when it's one team's turn, they all have to represent a concept, but at the same time guess what the other team members are trying to convey. Of course, this is not so easy with pantomime, drawing and modelling. Only those who can keep an overview and master several tasks simultaneously will get their team to the finish line. Details- Age: from 12 years- Persons: 4-12- Duration: approx. 45 minutes- Product dimensions: 398x282x55 mm
