### Product Description

In the party game Droppen oder Floppen, the players have all the answers - they just have to put them in the right order! The quick, electronic quiz game can be played in just 15 minutes. Players play against each other in pairs or teams. In each round, a quiz card with 6 answers is first inserted into the game tower. Then each side takes it in turns to guess the correct order of the answers in order to collect points. For example, by listing 6 debut albums in order from oldest to newest. Players make their guess by throwing drops into the tower and score points for answers in the correct positions. The tower guides players through the game with voice instructions and sound effects - just like a quiz show. After 4 rounds, the team with the most points wins! Looking for a great game for a games evening or board games for adults? This game is great for a group and makes a great gift for teenagers and adults who love quiz games. Droppen oder Floppen, Trivial Pursuit and Hasbro and all related terms are trademarks of Hasbro.- FAST PARTY GAME IN THE STYLE OF TRIVIAL PURSUIT: With the party game Droppen oder Floppen you can experience the excitement of a quiz show at home!
