Product Description

KWIZ is a quiz game in which you have to be honest with yourself: How much do you really know about this topic? Too self-confident? You won't move from the spot. Too cautious? A snail would be quicker. But if you can judge yourself correctly, you'll win gloriously! In the fun quiz game KWIZ, you test your knowledge of various topics on a scale of 1 to 10. The trick is that you have to judge for yourself how much knowledge you think you have! Move your game piece forward on the game board in the box according to the difficulty of the question if you know the correct answer. Get your brains working at full speed with four great categories: Curiosities, Knowledge, Everyday Life and Pastimes. Details- Number of players: 2-16- Age: 14+- Playing time: 45+ minutes
