Product Description

Boak, boak, boak! Do crazy things quickly to get rid of the chicken before time runs out. You can expect a hectic game with jumping, laughing and lots of animal noises ... and secretly a little bit of training! In the crazy children's game Hopp, hopp Hühnerhintern, you all sit in a circle on the floor and have a nest in front of you on which the clucking chicken can be placed. Each card shows a different crazy and funny activity. You shake the chicken and perform the activity that matches the dice result while it cackles happily. Then pass the chicken on quickly in a clockwise direction. Quickly! The chicken must not be with you when the time runs out and the chicken starts screaming!
