### Product Description

Tick tock, tick tock... Are the 60 seconds up or can you still play a card to outdo the opposing team? In the dangerously fast party game Danger Danger, you draw and play cards as fast as you can for 60 seconds. Then the team with the most points wins. What's the catch? The timer is hidden. You can't see how much time is left. If you're still playing and the timer rings, you've lost! Thanks to this crazy card game from Exploding Kittens, 60 seconds have never been so short! Single game Publisher: Exploding Kittens Genre: Card game Category: Party games Mechanism: Hand management, communication Details - Players: 2-8 - Age: 7+ - Minutes: 10+
