Product Description

Bring imaginations to life and provide endless possibilities for creativity and learning through PLAY with our 102 Piece Rainbow Creative Pack. Featuring a variety of shapes including small and large squares, equilateral, right angle and isosceles triangles, plus fences, windows and door frames in every rainbow colour, this pack is perfect for family play and building BIGGER Connetix creations! Whether playing independently or with friends and family, the Creative Pack encourages open-ended learning along with the development of fine and gross motor skills as children create castles, rockets, tall walls, coin drops, bridges and towers. Children will explore STEAM concepts such as mathematics, engineering, colour, shape and cause and effect while developing teamwork, perseverance and resilience as they bring their big ideas to life! As a high-quality, open-ended toy, Connetix will grow WITH your child as they learn and their play becomes more complex. Expand your collection and explore our range of colours with the 64 Piece Pastel Starter Pack or take your magnetic tile play fun to the next level with our unique 92 Piece Rainbow Ball Run Pack.
