Product Description

The popular classic "City, Name, Country" now as a holiday edition. Which item of clothing with the letter B is a must on your summer holiday? Which ice cream flavour starts with the letter E? For what reason do I urgently need a holiday with a T? Some answers are easy to find, but other terms require real holiday fans. Whoever manages to answer at lightning speed and collect the most question cards / ice cream symbols wins. Three different game variants make the game even more exciting and varied! What's more, Stadt Name Urlaubsreif doesn't use any plastic in the game. The cards are wrapped in paper instead of plastic and the packaging and cards are made of FSC®-certified material and are particularly kind to the environment.
