### Product Description

Risk it all for the thrill of pulling off the perfect heist in The Keys to the Golden Vault. This book contains thirteen exciting heist-themed adventures in which you and your crew take on missions from a mysterious organisation called the Golden Vault. Each adventure is suitable for players of levels 1 to 11 and can be easily adapted to suit your needs, whether as a standalone scenario or as part of a full campaign. No matter how you play, The Keys to the Golden Vault will take your entire adventuring party on an unforgettable, adrenaline-fuelled journey. With little more than a map to guide you, you can explore your surroundings to gather valuable information or jump straight into the action. Remember that time is of the essence. Sneak past the guards, dodge deadly traps and make your escape... before it's too late. - Embark on a new adventure. Find success or failure in the innovative new heist format of The Keys to the Golden Vault. With little more than a map to guide you, you must race against time to gather information and sneak past the guards to get closer to your target. The clock is ticking... can you make it before it's too late? - Pull off the ultimate heist. Search for legendary treasures, right ancient wrongs and even travel to the gloomy cliffside prison, Revel's End. If you manage to accomplish your goals without getting caught, you can claim the glory - and the rewards - for yourself. - Be the mastermind behind the scenes. Game master, it's time to raise the stakes. Keep your players on their toes with rival gangs of thieves, shocking twists and unexpected challenges. The Keys to the Golden Vault allows you to incorporate the thirteen adventures into an evening of suspense and thrills. - Infinite versatility. Infinite fun. You can't break the rules if there aren't any. Each of the thirteen adventures in The Keys of the Golden Vault can be played as a stand-alone scenario or integrated into a larger campaign. Choose what works best for you and your adventuring party and customise your game to suit all experience levels as you explore new locations together.
