Product Description

Ich lerne Deutschlandkarte Ich lerne by Jumbo Spiele offers an educational game with the "Deutschlandkarte" that shows children basic geographical knowledge about Germany and its regions. The learning puzzle contains information about the characteristics and some cultural features. The children can put the respective federal states together, as each federal state has its own colour and is a separate partial puzzle, self-checking is very easy. This educational game for children aged 5 and over is ideal for primary school and awakens curiosity and interest in the youngest children.
