### Product Description

I'm learning to readWith "I'm learning to read", children learn to read and spell in a playful way. All the words have been carefully selected. They consist of a maximum of 5 letters and are part of the vocabulary of children from the age of 5. The special learning system ensures that children can practise independently. The special back of the letter blocks means that they only fit in the right place. "I'm learning to read" contains 15 cards with 90 exercises in 3 different levels of difficulty: Tracing words, finding the first, middle and last letters, spelling words. The game is stored in a practical case - ideal for taking with you. With "I'm learning to read" - children can practise at home what they have learnt at school or kindergarten!
