**Product Description**

"Dungeon Degenerates: Hand of Doom" is different. Bright colours overwhelm you as soon as you pick up the game box. But behind the colourful façade lies a dark, merciless game that demands more than just the luck of the dice and takes you into a fantastic world full of swords, magic and sausages. The game material for the expansions also continues the flashy design. Together with the game material from the basic game, almost 550 cards, over 320 markers and 24 character displays need to be organised clearly and stored without creases. That's why we have included the matching organiser for the "Dungeon Degenerates: Hand of Doom" base game box in our range. It helps you to keep all the material of the base game plus three expansions and a booster pack neatly sorted in the original base game box. - The organiser fits into the original board game box of the "Dungeon Degenerates: Hand of Doom" base game. - It offers space for all game cards, counters and all the game material of the base game plus three expansions and a booster pack. - All components of the organiser can be removed individually. - All playing cards fit into the six available card holders, even with protective sleeves (max. external dimensions: small cards 69 mm x 45 mm, normal-sized cards 95 mm x 68 mm). - The game board and instructions are stored on the plastic trays. - The lid of the board game box protrudes approx. 2 cm. - Transport and tilt-proof - vertical storage possible. - No assembly required. All parts are ready for immediate use. The set offers space for all contents and the entire game material from: - Dungeon Degenerates: Hand of Doom - basic game- Dungeon Degenerates: Mean Streets - expansion- Dungeon Degenerates: Adventurer - expansion- Dungeon Degenerates: Freaks & Psychos - Expansion- Dungeon Degenerates: City Scum - Booster Pack To prevent you from wandering haphazardly through the colourful world of Dungeon Degenerates and frantically rummaging through your game material, we have taken care of organising your game material in the basic game box. Seven token holders, six card holders and one character holder made of robust plastic ensure that your game material is always well organised and ready to hand. This saves you valuable time when setting up the game, as there is no need for time-consuming pre-sorting. For a quick start to the game, simply spread the trays out on the table and you're ready to go. The multi-level card holders reduce the space required on the gaming table. The angled card compartments give the cards a better grip in the card holder. The set consists of: - 2 card holders with 4 compartments each for normal-sized cards such as Monster Cards Encounter Card, Law Monster Cards, Epic Monster Cards, Loot Cards, Epic Loot Cards- 1 card holder with one compartment for normal-sized cards such as Settlement Encounter Cards, Sign of Power Cards- 1 card holder with 6 compartments for normal-sized cards such as Monster Cards, Encounter Cards- 2 card holders with 3 compartments each for small cards such as Skill Cards, Triumph Cards, Weakness Cards, Danger Cards, Doom Cards, Reference Cards- 3 token holders with 1 compartment each for game material such as Condition Counters, Danger Counters, 20 mm Counters- 1 token holder with 4 identical compartments for game material such as Map Trait Counters, Doom Track Counters, Town Level Counters- 3 token holders with 4 different compartments each for game material such as Map Overlays, Hand of Doom, Dice, Voidgate Counters, Clue Counters, GP Counters, HP Counters, Luck Counters, Wound Counters, 4 XP Counters, Stance Counters, Epic Monster Counters, Stance Counters, Clips- 1 character holder with 4 identical compartments for character stands As with all 3D-printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. All products are provided unpainted. - thermoplastic- no assembly required - ready to play- 3D printed in Germany
