Product Description

A real scientific laboratory where a range of organic cosmetics with wonderful natural ingredients are produced. The set contains organic ingredients and natural colourants for the production of beauty products: Shower gel, shampoo, body cream, soap and hand cream, perfume sprays and scrubs. To stimulate interest in scientific experimentation, this set applies scientific principles to the world of beauty and combines them with the theme of organics and nature. All the proposed experiments are carefully explained in a detailed manual that provides a guide to discovering cosmetic science. Play For Future products are designed to educate children through play about the value of sustainability and the importance of protecting the environment. Conceived, designed and developed in Italy. Recommended age 8+. Copyright © 2023 Seven.One Entertainment Group GmbH; Licence by: Seven.One Licensing, www.seven.one. Size of box (WxDxH) 42 x 31 x 9. Weight 870 gr. Batteries required NO.
