Product Description

Archives of the Wächterbundes III - expansion for: HeXXen 1733 (DE)

In the third volume of this series (hardcover, synthetic leather binding) there is again a wealth of new material for players and HeXXen masters contain. In historical contributions, for example, the Viennese ball culture as well as medicine and hygiene in the 18th century are illuminated. Players can look forward to the new profession "sapper" and game masters to new adventures and adventure ideas, as well as a number of new NPCs and monsters. All of this is rounded off by a few short stories in the HeXXen universe.
