Product Description

Reign of the demon master campaign box - expansion for: HeXXen 1733 (DE)

When a mysterious demon master named Ambrosius von Neuleben appears in the county of Mark (today: Sauerland), sets a chain reaction of political upheaval is under way - and the hunters are, of course, right in the middle of it. You not only have to travel to some of the cities that are described in the Regionalia volumes Deutsche Lande, such as Cologne, Dortmund and Kassel - you can also get involved on a political level, while the danger from the demons grows and grows. As usual, the campaign box contains additional material in the form of handouts, cards and monster tokens.

Warning! Not suitable for children under 36 months.
