Product Description

Initiative set - extension for: HeXXen 1733 (DE)

This set was specially designed for HeXXen 1733 and contains a magnetic board, matching magnets and a marker. Use the whiteboard marker to write the names of hunters and enemies on the magnets, then place them in the order of initiative. If the order changes, just move the magnets to their new places. Never miss a round of combat with the HeXXen 1733 initiative set.

Warning! Not suitable for children under 36 months.
