Product Description

Tork Eternity - rules, hardback (DE), 280 pages

The storm has a name ... The High Lords are cruel tyrants from other realities . Now they have teamed up to conquer the earth and to rob people of their vitality: the energy of possibility! Wherever the invading hordes penetrate, they submit the world to their own strange reality. But the earth is not defenseless against this attack. Some people take in large amounts of Possibility Energy and become Storm Knights. This gives these heroes the power to submit reality to their will. They use magic, technology, wonders and even superpowers to confront the High Lords and their minions. The Delphi Council needs you, Storm Knight, to protect our reality and drive the High Lords away!The Drama Deck is required to play!

Warning!Not suitable for children under 36 months.

Content:

- Everything to design your own heroes from any cosms, including Central Earth!
- Rules for cinematic battles, nerve-wracking car chases and the transgression of the boundaries of reality.
- An overview of the first 90 days of the Possibility Wars and maps of the current situation.
- Detailed description of seven invading cosms, each with its own own flair.
