Product Description

Torg Eternity - day 1 adventure volume, hardcover (DE), 144 pages

THE POSSIBILITY WARS HAVE BEGUN! The Maelstrom Bridges are falling across the globe and herald the invasion of the High Lords. Experience the chaos and uncertainty of the first minutes of the war first hand! Players are put into the role of normal people who are caught up in events around the world that are beyond their mind and control. Will they survive and become mighty Storm Knights? As the invaders first appeared on Central Earth, valuable clues about their methods and plans can be gleaned. Play an inexperienced character who experiences his moment of crisis and becomes a true hero.

Warning! Not suitable for children under 36 months.

Contents:

- Seven adventures in a total of 10 acts that are set all over the world.
- Ready-made characters with which you can jump right into the game.
- New threats and vehicles, as well as many tips for the game master about running Torg Eternity.
- Experience the Possibility Wars from day one!
