Product Description

Werewolf: The Apocalypse The Skinner (W20), paperback (DE), 48 pages

A skinned corpse is found on a landfill. But this is not the carcass of a helpless victim - the corpse is a Garou. The people remember. A man killed werewolves and ripped off their skin. A blasphemous rite connected the Garou's skins to the body of a member of the blood siblings to create a werewolf. A skin dancer. The skin dancer is dead. Samuel Haight was after too much power and was wiped out forever. The children of his legacy are few and outnumbered. You wouldn't be brazen enough to incur the wrath of the Garounation. You're not as ambitious as Haight was, and he's dead and buried. Or?

Warning! Not suitable for children under 36 months.
