Product Description

Äventyr The Zephyr Sea & Sem Saros - Adventure Box (DE)

The Zephyrmeer and Sem Saros is the first Äventyr world band for the Masona game world. Here you can explore dozens of different island nations, travel to magical places beyond the west and accept an invitation from the sky elves to visit their magical island of the cloud kingdom. You can spice up the adventure even further with exciting activities such as baking apple pie from Meandros or porcini mushroom bread from Bellisia! "The sea of headwinds held us up for over a week before our captain with the bull's head finally changed direction and drove us at full speed We drove north. Our food supplies had been used up two days earlier and the crew was in a bad mood. Then I became the hero of the day when I called out from the crow's nest: Black and yellow flag on the cliffs in front of us! Finally we had reached Citarro, that Portal to the archipelago. "Welcome to the Zephyr Sea, where you are the hero!

This book is not a stand-alone product. You need the Äventyr rulebook to use this material.
