Product Description

Vampires The Dark Age: Anniversary Edition (DE), 484 pages

The year is 1242. The Mongol army first brought Baghdad to its knees, then Russia subsequently devastated Poland and Hungary.

The Holy Roman Empire rose against the papacy. The second Lombard League enforced the Pope's word and fought against Frederick II. The princes' war rages. Parricide threatens. Young powers look up the ladder to the next rungs and see nothing but stasis and hypocrisy. You see prey. When you look down, you see humanity. You see a power that could change everything. You see mortals building universities and empires.

In the mortal world of 1242, power shifted at the pace of marching armies. For the undead, power shifts faster than fire devouring refuge. To the damned, power flows as fast as the blood from an ancient heart.

Vampires: The Dark Age - Anniversary Edition is a storytelling game about terrible power. It contains:

- 13 clans and 19 bloodlines, set in the dark old world of the Middle Ages.
- The complete rules of the game, inspired by Vampires: The Masquerade - Anniversary Edition.
- New and revised player options, including a new, brutal system for Koldun witchcraft

Warning!Not for children under 36 months suitable.
