### Product Description

Starfinder - Flip-Mat: Jungle World (DE)

It doesn't matter whether the heroes go on an expedition into the jungle to find the ruins of a lost city, or themselves just looking forward to a vacation in the tropics, not every game master wants to spend time drawing every single tree, every muddy path and a half-buried ruin. Fortunately, with the latest Starfinder Flip-Mat, you don't have to!

This range of game mats offers ready-to-use science fantasy sets for the busy game master.

This double-sided card features dense tropical forest wilderness on one side and ancient, overgrown areas on the other Ruins. Don't waste time sketching when you can play. With the Starfinder Flip-Mat: Jungle World you are ready the next time your players venture into the jungle!

Warning! Not for children under 36 Months.
