Product Description

Starfinder - Flip-Mat: Space Station (DE)

It doesn't matter whether the heroes are defending a busy space station against invading aliens or just need to go ashore after a long journey through space, no game master wants to spend precious game time drawing every airlock, every bulkhead and every corridor. Fortunately, thanks to the latest Starfinder Flip-Mat, you don't have to! This double-sided map shows the park-like business center of a futuristic station on one side and the narrow corridors of an industrial platform on the other and offers the perfect setting for any space adventure.

Waste no time sketching when you can already play. With the Starfinder Flip-Mat: Space Station you are always ready the next time your players dock at a new station!

Attention! Not suitable for children under 36 months.
