Product Description

Iron Kingdoms Unleashed - Catacomb Floor Panels (DE)

Under the polished ruins of the Orgoth and Morrdh lie hidden halls and tunnels full of unknown treasures and powerful weapons. In these dark places, the silent steps of blind beasts fade away and contaminated water does not stop dripping from ancient stalactites.

Those who dare to enter these catacombs await immense riches, but also countless dangers and subterranean horrors. This floor plate set contains nine double-sided printed floor plates made of sturdy cardboard in the format 21.5 cm x 28 cm, each with different motifs. With this set you can lead groups for the Iron Kingdoms role-playing game as well as for Unleashed into this mysterious realm in the underground of Immoren. Once there, even the bravest of heroes will find reasons to fear the dark.

Warning! Not suitable for children under 36 months.
