Product Description

Pathfinder 2 - FlipMat: Die Schlickpest (DE)

Use this double-sided, full-colored FlipMat to fill your adventures in the module Die Schlickpest with life! It shows important encounter areas in the context of the plot. One side shows a largely abandoned building, the solar archive, the other an evil complex, which is referred to as the Plaza of the Dining Fiend - both prominent locations in the adventure! Don't waste time drawing cards that can be better used for gaming! With this card you can present the new edition of Pathfinder to others in style!
Warning! Not suitable for children under 36 months.
