Product Description

Torg Eternity - The Nile Empire, Quellenuch (DE)

The Nile Empire is led by High Lord Dr. Möbius and his armies ruled by henchmen. It has spread across much of Africa and is advancing to the Middle East. Where the Nile Empire is dominant there is crazy science, fantastic magic and the wonders of the Egyptian gods. These are available to villains and heroes alike.

Where the empire takes control, technology and attitudes change to reflect the fantastic pulp stories and dime novels of the 1930s. In the conquered countries there are hidden tombs, pyramids and artifacts from different timelines that Möbius is determined to achieve. Put on your mask, refuel your rocket backpack, and join the pursuit of Möbius as you rescue innocents who accidentally get caught in the crosshairs!
